Ausmas in July

A big congratulations goes to our Social Committee for the effort they put into the Ausmas function including the presentation of tables and club rooms. Some 70 people attended – it was a great success.

Thanks to members who contributed to our raffle (valued at over \$130). Thanks to Pat for her donation. The raffle was won by Elizabeth Jones (wife of Peter). Ken Gatehouse was last seen helping cart the winnings to Peter's car!

Thanks to all members for your support of this event. Bar Manager, Peter Self, was kept busy for most of the day. Our keeper of the money for the day, Marion Florence, also assisted Peter Scott at the door. Thanks Peter and Marion.

Items of note (check the noticeboard for more details)

Indoor carpet bowls commenced at the club on Thursday afternoons under the watchful eye of Michael Seabourne.

A **darts program** is being arranged. All items will be provided by the club.

A **crib program** is being arranged for those with more aggression!

Sadly, a singing program is NOT going ahead owing to the poor tones from members!

Special general meeting

The Board of Management has called a Special General Meeting of members on Saturday, 6 August at 10.30am.

All full and life members are expected to attend if possible. Apologies can be made in writing or by email to the Secretary, or to the President in person.

The board will present options for clubhouse improvements as promised at the AGM. Members will be asked to consider the options put to them and vote on the proposal to be pursued.

Calendar of events

- Patron's Plate – Starting soon!
- \$1,000 Triples – 3 Sep 2016
- Farmers Day – 13 Feb 2017
- \$1,000 Triples – 20 May 2017

Missing keys (nothing to do with the failed singing program)

We are missing the keys C8, C19, M21, M22 and M75. Please check your key and let Margaret Robertson know if you have one of these. Thanks!
